## COMPANY OVERVIEW

Dolche Truckload Corp is a dynamic and forward-thinking trucking company that has carved out a significant niche in the freight transportation industry across the United States. Founded in 2010, this women-owned enterprise has grown from a dream into a thriving motor carrier with a fleet of 70 trucks, specializing in the transportation of hazardous materials (hazmat), refrigerated freight, and dry freight. Our company prides itself on its commitment to safety, reliability, and customer satisfaction, serving all 48 contiguous states with unparalleled dedication and professionalism.
